10:30 a.m. Panel Discussion
Lee Rennick, Director Business Education Partnership,
Rutherford County Chamber of Commerce

11:15 a.m. Lunch

Noon Adjourn

Businesses categories for 2005 were chosen based on the demand for workers within the community. The variety of needs within each category is almost unlimited. Health, manufacturing and financial businesses have many needs for employees with specific skills or advanced degrees. Homebuilding and hospitality have more openings for unskilled labor, but even these areas are demanding skills that have not been needed in the past – like computer/keyboarding skills.

Contact Information for Today's Manufacturing Speakers:
